

OFFICE OF INJURED EMPLOYEE COUNSEL

FIRST RESPONDER LIAISON

The Office of Injured Employee Counsel (OIEC) is the state agency that assists, educates, and advocates on behalf of the injured employees of Texas.

OIEC has a designated employee who is the liaison for first responders. The liaison is highly trained as an ombudsman and in the rights of first responders within the workers' compensation system.

**FIRST
RESPONDER
LIAISON**

Yolanda Garcia
(512) 804-4173

firstresponderhelp@oiec.texas.gov

As a first responder, you can contact her directly for help with your workers' compensation claim.

OIEC provides services in **21 offices across the state**, with the central office located in Austin, Texas. Agency services include **advocacy, customer service, and dispute assistance** through OIEC's Ombudsman Program.
